

The Islander Say-So

July 2011

2nd Edition

Enfield Island Village Trust

EIVT

Dear Residents
Welcome!

Since our last newsletter we had a great street party in honour of the royal couple! A huge congratulations to Prince William and Kate. And a big thank you to Oasis, RSA Trust and Enfield Island Youth & Community Trust that organised the highly successful event!

The second half of 2011 will be extremely busy with the on-going news of CCTV on the island, the start of more community activities for all on the island and fighting crime!

If you are still interested in getting smartwater kits but haven't had the chance then please ring our local police team on 020 8721 2690 or the EIV Trust office on 01992 769143.

If you have young children please feel free to go along to the library to join in the Under-5s' Fun. Story and Play - Tuesday 11.15 am - 12:00pm
Baby Rhyme Time - Thursday 1.30pm - 2pm

If fly-tipping is still posing a problem then please call the EIV trust office on 01992 769143 for guidance.

OUR APOLOGIES

Please accept our sincere apologies if you have emailed us at news@eiv.org.uk, we have been experiencing difficulties but now have it fixed!

ADVERTISERS?

If you would like to advertise in this space please send an email to news@eiv.org.uk stating the size of your advert or alternatively email us your advert and we will get back to you with the date of the next newsletter and the very reasonable advertising cost!

DOG FOULING

“A small number of irresponsible dog owners continue to spoil the island by not clearing up after their dogs. The riverside pathway on the western side of the island is badly affected by dog excrement and is, frankly absolutely disgusting. Guidance to resident on how report/deal with such irresponsible behaviour can be obtained here <http://www.eiv.org.uk/documents/dogfouling.pdf>. This guidance/strategy has been endorsed by the Trust and the Council's Enviro Crime Unit.

In essence, if you own a dog and are seen exercising it without having a bag or poop scoop available to clear up any excrement left by your dog then you are guilty of irresponsible and criminal behaviour and can expect to be challenged! There are a total of 6 dog litter bins on the Island – use them! “ By Iain Campbell.

Enfield Island Village - New Opportunities

The Enfield Island Village Trust is seeking a Community Development Worker and Community Development Apprentice to run community activities and to recruit local people to be involved in them. You will work with local people and statutory and voluntary agencies. Applicants will need to be totally committed to community development and have experience of running community activities.

The new community development team will aim to help the Trust make real and lasting changes for the people living on Enfield Island Village through innovative projects and partnerships.

Initially, these two posts will be on fixed term contract for one year from August 2011 working flexibly across all sector of the community with some evening meetings and weekend events. Both posts are subject to satisfactory references and CRB checks. See www.eiv.org.uk for further details on these two posts.

Community Development Worker

£18,000 pa pro rata 28 hours per week

Community Development Apprentice

£8000 pa pro- rata 28 hours per week

To register your interest in these posts and for more information please email or post your CV and a short statement (maximum 500 word) to info@eiv.org.uk or to 39 Island Centre Way, Enfield EN3 6GS.

Closing date Friday 22 July 2011 with short listing and interviews in the week

commencing from 25 July 2011

OUR COLUMN

Resident of Thorneycroft Drive asks 'What can be done to prevent burglaries and see a cut down on crime?'

Police offer the following advice:

Make it as hard as possible for the burglar to get into your property;

If you're away or on holiday, make the house look like you're still living in it;

Mark valuable possessions with an ultra-violet pen so they can be traced back to you if police recover them.

(SMARTWATER)

Further precautions.

A third of burglars get in through a back window.

Fit window locks to all downstairs windows, and to easily accessible upstairs windows.

Remove ladders that can be used to break into upstairs rooms.

Have good outside lighting.

Ensure you have a home alarm ranging from small door devices to the full British Standard approved alarm system.

Get A Gadget

After addressing the basics, you could go one step further and buy a gadget.

The following attract burglars:

Single double glazing;

No alarm or security system;

Garden tools or wood, bricks and other objects lying around which can be used to force entry;

Weak and flimsy doors and windows.

Be aware of bogus callers.

Join the neighbourhood watch team.

Be a good neighbour. Check on each other's houses when you're away.

Collect your neighbour's post and even park your car on their drive when they're holidaying.

In today's world everyone needs a security system, and then we can rest easy that we have less chance of being a victim of crime.
